

Living in Style Ibiza

Ibiza is an island of contrasts. It is both a haven for hippies as well as for the international rich and famous, a destination for dropouts as well as for party-goers. They all love the island's charms, its beautiful beaches, and scenery, where they can savor the salty air as it drifts up from the salt fields and enjoy parties with the most renowned DJs in the world. Exciting and stimulating contrasts also define the island's architecture. From centuries-old fincas in the typical Spanish style to uniquely modern houses-the islanders maintain an exclusive and cosmopolitan style of living. Whether futuristic or classically elegant, all the interiors are unique and exude a warm, inviting charm. Living in Style Ibiza showcases the best of these interiors, where stylish design and exceptional materials form an exciting blend.
